HEART OF WORCESTERSHIRE COLLEGE

HELLO.

Thank you for joining us this evening at our open event!

Tonight, our campuses are open from 5pm - 8pm for you to explore. During this time, you can speak with our tutors, tour facilities, discover our range of courses, and find the right pathway to kickstart your future.

This guide includes all the information you need for the event, including what to expect, what subjects are here, and more!

What to expect at a HoW College open event.

This evening is about welcoming you to the College and helping you make decisions about your future and next steps in education. All our facilities are open for you to explore, including our learning centres, subject areas and student areas, meaning you can get a real feel for the College.

As well as this, our tutors are on hand to discuss course specifics, talk through entry requirements, show you our facilities and provide you with all the key information about your chosen course.

But that's not all. This evening you can also hear from our Executive Leadership Team as they will be delivering talks about all things HoW College from student support to student experience.

What subjects are here?

Tonight at our Bromsgrove campus you can explore:

Apprenticeships – Learning Resource Centre

Automotive – E11

Art and Design – Art Studios

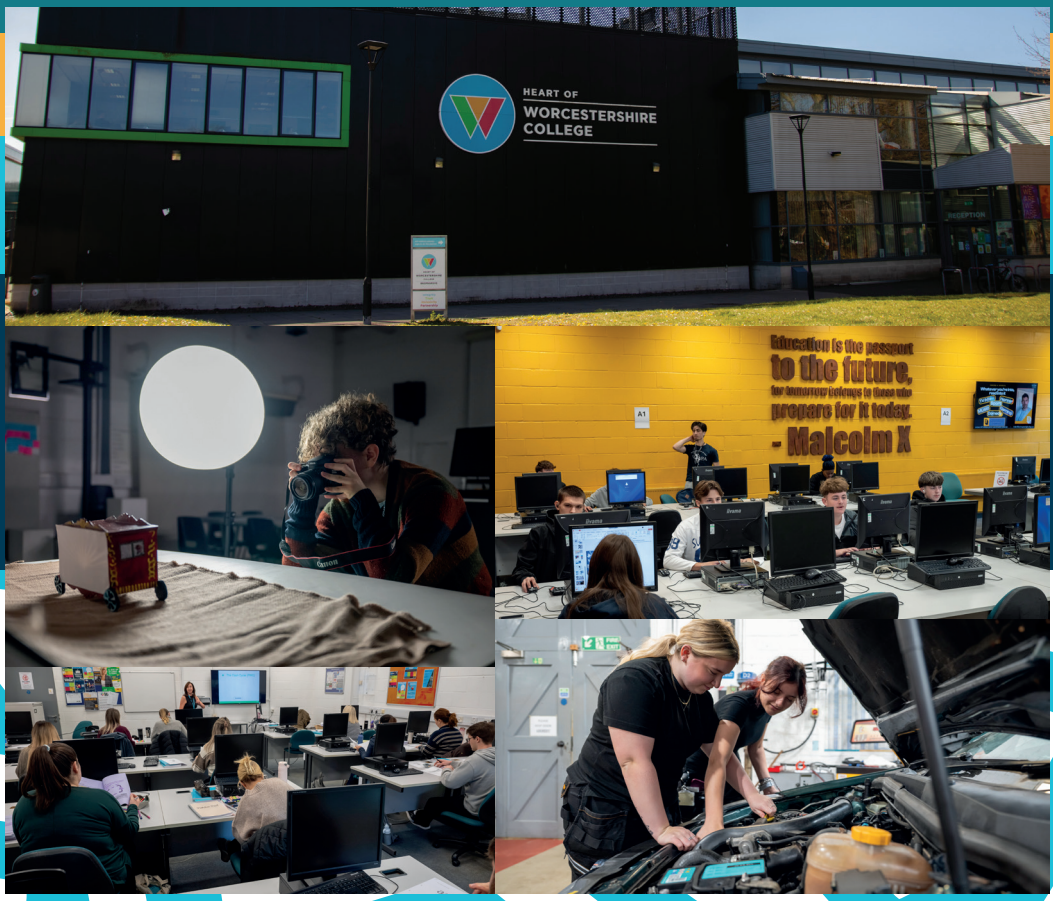

Computing and Digital Media – M103 and B104

Electrical Installation – Electrical Workshops

Engineering – T Block Workshops

Management and Professional – Learning Resource Centre

Media Production (TV and Film) - TV Studios

Application Stations

We have application stations available for anyone who would like to make an application.

So, if you have found the course that's right for you and your future, make sure to visit one of our stations and get that application sorted. Our teams will be on hand to walk you through the process and offer any advice and guidance.

Or, scan the QR code and make an application via our website.
